

## ***CURRICULUM VITAE***

### ***PERSONAL DATA***

**Name and surname:** Marta Pérez Julián

**Passport number:** 39893906-S

**Place and date of birth:** Barcelona, 02/09/1975

**Study address:** C/Badal 17-23 Esc. B 2º 1ª, 08014 Barcelona (SPAIN)

**Telephone:** +34 93 421 27 47

**Home address:** C/Bedoll 9, 43892 Miami-Playa (Mont-Roig), Tarragona (SPAIN)

**Telephone:** +34 977 81 02 42

**Mobil phone:** +34 658 210 700

**E-mail:** [martaperezjulian@hotmail.com](mailto:martaperezjulian@hotmail.com)

**Sex:** female

**Nationality:** Spanish

### ***STUDY FIELD***

- 2000 Degree in Chemistry by Ramon Llull University (Barcelona).  
Specialisation in Analytical Chemistry
- 2001 Chemical Engineer by Chemical Institute of Sarrià (IQS) (Barcelona).  
Final Research Project in the Environmental-Chromatographic Laboratory  
(Title: Study of the migration of phthalates from blood bags to the blood components stored in).

## ***EMPLOYMENT EXPERIENCE***

- July-August 95: Nuclear Power Station Vandellós II, Hospitalet de l'Infant (Tarragona). Training period in Chemical and Radiochemical Laboratory. Chemical analysis of the water from the different circuits of the plant with several analytical techniques.
- July-August 99: Academia Fabi, Hospitalet de l'Infant (Tarragona).  
Teacher in a crammnig school. Subjects: mathematics, chemistry and physics.
- July-August 00: Academia Fabi, Hospitalet de l'Infant (Tarragona).  
Teacher in a crammnig school. Subjects: mathematics, chemistry and physics.
- March-May 01: PEINUSA (IQS, Barcelona).  
Temporary work in Chromatographic Laboratory-Environmental Laboratory. Analysis of phthalates in biological samples with HRGC-MS.
- May-July 01: PEINUSA (IQS, Barcelona).  
Temporary work in Environmental Laboratory. Analysis of PCDDs, PCDFs and PCBs in different samples.
- Sep-March 02: ENEL Produzione Ricerca (Pisa, Italy)  
Training Period under the Euroflam Programme. Research Project: "Study of the thermal devolatilization of chlorine from waste solid fuels". Analysis of TAR samples produced in pyrolysis process with CG-MS.

## ***COURSES***

- Quality Assurance in Chemical Laboratories (Barcelona, 1999)
- Environmental Chemistry (Barcelona, 1999)
- Risk-Prevention in Chemical Industry (Barcelona, 1999)
- Material Corrosion (Barcelona, 1999)
- Microbiology (Barcelona, 2000)

### ***SCIENTIFIC MEETINGS***

- IV National Conference on Endocrine Disruptors (Barcelona, 1999).
- Dioxins in food. Conference organized by the Agriculture, Livestock and Fishing Department (Barcelona, 2000).
- V National Conference on Endocrine Disruptors (Madrid, 2001). Oral communication: “Estudio de la concentración de di(2-etilhexyl) ftalato en hemoderivados almacenados en bolsas de sangre” (Study of di(2-ethylhexyl) phthalate concentration in blood components stored in PVC bags) (M. Pérez, F. Broto, L. Comellas, J. Díaz-Ferrero, M.C. Rodríguez Larena).

### ***KNOWLEDGE OF LANGUAGES (A: fluent; B: good; C: poor)***

- English: A (First Certificate in English, 2000)
- Italian: B (training period of six months in Pisa, Italy).
- Spanish: A
- Catalan: A
